Audionamix's Usage of the Registration Data

Internal Use. Audionamix uses the Registration Data about You for internal purposes, to improve its site and to better tailor the site to meet Your needs. In addition, Audionamix uses the Registration Data to analyze site usage and to deliver to You information about certain promotions, services or items that might interest You. In addition, Audionamix may use your e-mail address and, in rare situations your mailing address or phone number, to contact You regarding site notices from time to time. **Editing Registration Data.** You may review and edit your Registration Data by using your e-mail address or User ID and Password. If You cancel your account, You may also have your Registration Data deleted from Audionamix's database by sending your request to support@audionamix.com. However, You should be aware that once posted, You cannot change or remove any public postings made in Audionamix's web site. You should also be aware that even if you delete your Registration Data, there may remain residual information that will remain within Audionamix's databases, access logs and other records, which may or may not contain personally identifiable information. **Resolving Problems.** Audionamix may use the Registration Data and other data it obtains from your current and past activities, to resolve disputes and troubleshoot problems and to monitor and enforce the License Agreement. In the event that You breach any of the terms of the License Agreement, Audionamix shall be entitled to use the Registration Data to locate You and pursue any necessary actions at its sole and absolute discretion in accordance with its Privacy Policy and the License Agreement. **Audionamix Disclosure of Users' Registration Data General Rule.** Audionamix will not disclose, sell or transfer any of your Registration Data, to any third parties (e.g., advertisers or business partners), except in the following cases:

- (i) Audionamix receives your permission;
- (ii) if Audionamix believes in good faith that the law requires such disclosure or transfer or
- (iii) as set forth below.

Audionamix Community. You should be aware that in order to enjoy the Product, You will be required to disclose your e-mail address. As a result, other users of the Audionamix site as well as third parties might send You unsolicited e-mail. **Third Parties.** Audionamix may at any time add business partners or co-branded sites to its site, but the sharing of information with them will be limited to only statistical information regarding Users in general, and Audionamix will not disclose any of your Registration Data, correspondence or any related information. Audionamix assures You that in the event that Audionamix shall wish to transfer any of such information, Audionamix shall notify You before transferring such information, so that You will always have a chance to object to such transfer. **Special Cases.**

Audionamix may also disclose Registration Data or other information, in special cases when it has reason to believe that disclosing such information is necessary to identify, contact or bring legal action against someone who may be violating Audionamix's License Agreement or this Privacy Policy or may be causing injury to or interference with (either intentionally or unintentionally),

Audionamix's rights or property, other users, or anyone else that could be harmed by such activities. In addition, Audionamix may disclose or access a User's account, in the event that Audionamix believes in good faith that the law requires such disclosure. You thus authorize Audionamix to disclose any information about You to law enforcement or other government officials if Audionamix, in its sole and absolute discretion, believes that such disclosure is necessary or appropriate. Although, Audionamix uses industry standard practices to protect your privacy, Audionamix does not ensure, and You should not expect, that your Registration Data or any private communications will always remain private.

Links and Displayed Sites

Audionamix's site may contain links to other sites and may provide access to other sites displayed as search results. Audionamix is not responsible for the privacy practices or the content of such linked or otherwise displayed sites. Applicable Law. Audionamix's use of any information of a User is subject to the provisions of any applicable law.

User's Usage of Other Users' Registration Data

Use of Users' Registration Data. Audionamix's Product may allow You limited access to other Users' Registration Data, personal information or other information ("Users' Information"). Such Users' Information, if disclosed to You, is disclosed to You only for the purpose of using the Product in accordance with the terms and conditions of the License Agreement and this Privacy Policy. You hereby agree that You shall use any Users' Information only: (a) in connection with the Product, and (b) for any other purpose that the owner of such information expressly agrees to. In all cases, you must comply with any request by any user to delete any Registration Data of such user from your database. In addition, under no circumstances, except as defined in this Section, may you disclose Registration Data of other users to any third party without Audionamix's express written consent and the express written consent of the relevant user. Spam. Audionamix and its Users do not tolerate spam. Therefore, without limiting the foregoing, You are not permitted to add any user, whose direct contact information was disclosed to you in connection with any use of the Product, to your mailing list without such user's express written consent after adequate disclosure. Password. Your Audionamix Registration Data is password-protected so that only You and Audionamix have access to this personal account. Since, You may edit your account by using your e-mail address or User ID and Password, Audionamix recommends that You not divulge your Password to anyone.

Disclosure of Information to Third Parties

Audionamix's policy only addresses the use and disclosure of information Audionamix collects from You. To the extent that You disclose information to other parties on Audionamix's site or to any other third party, different rules may apply to the use or disclosure of the personal information, which You disclose to them. Since Audionamix does not control the privacy policies of third parties, You are subject to the privacy customs and policies of such third parties.

Disclosure of Personal Information in the Event of a Merger or Sale of

Audionamix

Audionamix may merge or be acquired by another business entity or may sell all or substantially all of its assets to an acquirer. In the event of such merger, acquisition or sale, Audionamix may share some or all of your personally identifiable information with the acquiring company in order to continue serving you and others and continuing to offer you the Product.

Co-branded and Other Affiliated Sites

As stated above, certain information or services offered or provided through this website, from time to time, may be provided on or through other websites operated by or in conjunction with third party providers ("Partners"). These websites and the features thereon may have the same "look and feel" as this website. Audionamix terms these websites "co-branded sites", and often times a Partner's logo or name may appear on the website, or the Partner's name may appear in the URL. Although Audionamix will continue to own any personally identifiable information collected about you from one of these co-branded sites, such information may be shared by Audionamix with that Partner. However, a Partner will not rent, sell, or disclose any of your personally identifiable information to third parties unless you consent to such disclosures and use in advance (for example, you may be asked to opt-in on a particular co-branded site in order to receive information or offers from a Partner, its affiliates or agents).

Security

Audionamix's site has security measures in place to protect the loss, misuse and alteration of the Registration Data. Audionamix uses industry standard efforts to safeguard the confidentiality of your Registration Data.

Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while Audionamix strives to protect your personal information, Audionamix cannot ensure the security of any information that You transmit to Audionamix or any information that You receive from Audionamix's Service, and You transmit such information at your own risk. Once Audionamix receives your transmission, it uses its commercial effort to ensure security on its systems.
